

Hebrews 7:24

Authorized King James Version (KJV)

But this man, because he continueth ever, hath an unchangeable priesthood.

Analysis

'This man' (Christ) 'because he continueth ever' (Greek 'dia to menein auton eis ton aiona'—because He remains forever) has an 'unchangeable priesthood' (Greek 'aparabaton'—permanent, non-transferable). No successor is needed or possible. Christ's priesthood will never pass to another because He lives forever in resurrection power.

Historical Context

The contrast between the many temporary Levitical priests and the one eternal High Priest demonstrates the new covenant's superiority. What the old covenant could not provide—permanence—Christ provides fully.
