

Isaiah 10:2

Authorized King James Version (KJV)

To turn aside the needy from judgment, and to take away the right from the poor of my people, that widows may be their prey, and that they may rob the fatherless!

Analysis

The purpose of unjust decrees is exposed: turning aside the needy from justice and robbing the poor of rights. 'Turn aside' suggests legal maneuvering to deny the poor access to justice. 'Take away the right' means stripping legal protections from the poor. Widows and orphans—the most vulnerable—become prey to be plundered. This reveals the depravity of using legal authority not to protect but to exploit. God especially cares for society's vulnerable; their oppression guarantees His intervention.

Historical Context

Prophetic literature consistently condemns economic exploitation of widows, orphans, and the poor (Exodus 22:22-24; James 1:27). Archaeological evidence from 8th century BC Israel shows increasing wealth concentration and poverty. Ostraca (pottery shards with writing) record debt-slavery and land seizures. The legal system that should protect the vulnerable instead facilitated their exploitation, justifying divine judgment through Assyrian and Babylonian conquests.

Study Questions

1. How do modern legal and economic systems sometimes oppress the vulnerable while appearing legitimate?
2. What does God's special concern for widows, orphans, and the poor teach about His character?
3. How can Christians advocate for the vulnerable in systems that may legally but unjustly exploit them?
