

Isaiah 63:11

Authorized King James Version (KJV)

Then he remembered the days of old, Moses, and his people, saying, Where is he that brought them up out of the sea with the shepherd of his flock? where is he that put his holy Spirit within him?

Analysis

'Then he remembered the days of old, Moses, and his people, saying, Where is he that brought them up out of the sea with the shepherd of his flock?' Either God or Israel 'remembers' the Exodus. The sea crossing, Moses as shepherd - foundational memories resurface. The questions express longing for past displays of power.

Historical Context

The Exodus became Israel's paradigmatic salvation memory. In distress, they recall when God acted mightily. This models how past deliverances should ground present faith.
