

# Isaiah 65:4

Authorized King James Version (KJV)

Which remain among the graves, and lodge in the monuments, which eat swine's flesh, and broth of abominable things is in their vessels;

## Analysis

'Which remain among the graves, and lodge in the monuments, which eat swine's flesh, and broth of abominable things is in their vessels.' Further abominations: necromancy (consulting the dead), swine consumption (explicitly forbidden in Leviticus 11:7), and unclean food. These are not accidents but deliberate violations of known law.

## Historical Context

Necromancy was practiced in Canaan and strictly forbidden (Deuteronomy 18:10-12). Swine were sacrificed in pagan rituals. These practices represented complete apostasy from covenant faithfulness.
