

Job 11:6

Authorized King James Version (KJV)

And that he would shew thee the secrets of wisdom, that they are double to that which is! Know therefore that God exacteth of thee less than thine iniquity deserveth.

Analysis

Zophar claims God 'exacteth of thee less than thine iniquity deserveth' - a brutal accusation that Job's suffering is merciful compared to deserved punishment. This theology of hyper-retribution (you deserve worse) adds theological cruelty to physical suffering.

Historical Context

Ancient wisdom sometimes emphasized that all suffering is less than deserved, but this minimizes grace and magnifies works. Zophar's claim denies Job's actual innocence and God's later vindication.
