

# Job 14:13

Authorized King James Version (KJV)

O that thou wouldest hide me in the grave, that thou wouldest keep me secret, until thy wrath be past, that thou wouldest appoint me a set time, and remember me!

## Analysis

---

Job's prayer 'O that thou wouldest hide me in the grave, that thou wouldest keep me secret, until thy wrath be past' reveals hope beyond death. The grave becomes a hiding place rather than final destination. Job envisions death as temporary concealment until God's anger subsides.

## Historical Context

---

Ancient Near Eastern death concepts generally emphasized permanence, but Job hints at resurrection hope that will flower in later revelation (Daniel 12:2, John 11:25).
