

Job 16:22

Authorized King James Version (KJV)

When a few years are come, then I shall go the way whence I shall not return.

Analysis

'When a few years are come, then I shall go the way whence I shall not return.' Job contemplates death's approach: 'a few years' (שְׁנוֹת מִסְפָּר, shenot mispar—numbered years), then 'the way whence I shall not return' (וְאֶרֶח לֹא-אָשׁוּב, ve'orach lo-ashuv). This echoes Ecclesiastes 12:5 and Psalm 39:13. Death appears as a one-way journey (from Job's earthly perspective). Yet even here, facing apparent finality, Job addresses God, seeks vindication (previous verses), and maintains prayer. Mortality awareness should drive us to God, not away from Him. The Reformed emphasis on memento mori (remember you must die) isn't morbid but realistic, orienting us toward eternal realities. Job's facing death honestly produces not despair but urgent appeal for justice.

Historical Context

Ancient peoples understood death as crossing a boundary from which none return (2 Samuel 12:23). This awareness intensified the urgency of Job's appeal for vindication before death made it impossible.

Study Questions

1. How does awareness of death's approach shape our relationship with God?
2. What changes when we face suffering knowing time is limited?
