

# Job 24:1

Authorized King James Version (KJV)

Why, seeing times are not hidden from the Almighty, do they that know him not see his days?

## Analysis

---

Job's question: 'Why, seeing times are not hidden from the Almighty, do they that know him not see his days?' This asks why God, who knows all times, doesn't act to establish justice. The question isn't doubt but confusion about divine timing.

## Historical Context

---

Ancient justice systems operated on immediate retribution. Job questions why divine justice delays when God knows all timing perfectly.
