

# Job 25:4

Authorized King James Version (KJV)

How then can man be justified with God? or how can he be clean that is born of a woman?

## Analysis

---

Bildad's question: 'How then can man be justified with God? or how can he be clean that is born of a woman?' This raises the fundamental problem of human sinfulness before divine holiness. While the question is legitimate, Bildad uses it to deny any defense rather than point toward grace.

## Historical Context

---

Ancient Near Eastern purity concepts emphasized ritual cleanliness, but Bildad speaks of ontological uncleanness. His question anticipates Paul's in Romans 3:20-24, though Bildad lacks the answer of justification by faith.
