Authorized King James Version (KJV)

For what portion of God is there from above? and what inheritance of the Almighty from on high?

## Analysis

Job asks: 'For what portion of God is there from above? and what inheritance of the Almighty from on high?' This questions what the righteous can expect from God. Job probes whether divine inheritance exists for those who serve faithfully.

## Historical Context

---

Ancient covenant theology emphasized inheritance and reward. Job's question challenges whether such theology holds under testing.
