

# Job 38:36

Authorized King James Version (KJV)

Who hath put wisdom in the inward parts? or who hath given understanding to the heart?

## Analysis

---

God questions: 'Who hath put wisdom in the inward parts? or who hath given understanding to the heart?' This addresses the source of human wisdom - not self-generated but divinely implanted. Even human capacity to think about God comes from God.

## Historical Context

---

Ancient Near Eastern wisdom literature valued human understanding but rarely questioned its source. God's question reveals that even questioning requires divine enablement.
