

Job 42:12

Authorized King James Version (KJV)

So the LORD blessed the latter end of Job more than his beginning: for he had fourteen thousand sheep, and six thousand camels, and a thousand yoke of oxen, and a thousand she asses.

Analysis

Job's restoration: 'So the LORD blessed the latter end of Job more than his beginning.' This doubled blessing (14,000 sheep, 6,000 camels, etc.) vindicates Job materially. Yet the deeper vindication was God's approval and fellowship.

Historical Context

Ancient Near Eastern narrative often concluded with restoration of righteous sufferers. Job's doubled blessing demonstrates that temporary loss doesn't equal divine abandonment.
