

Job 5:7

Authorized King James Version (KJV)

Yet man is born unto trouble, as the sparks fly upward.

Analysis

Eliphaz declares 'man is born unto trouble, as the sparks fly upward' (adam le-amal yullad, אָדָם לְעַמָּל יָלַד). The word amal (עַמָּל) means toil, trouble, or misery—human existence inevitably includes suffering. The comparison to sparks flying upward (bene reshef, בְּנֵי-רֶשֶׁף, literally 'sons of flame') suggests natural inevitability. This observation contains wisdom: we live in a fallen world where suffering is universal. However, Eliphaz uses this truth to minimize Job's specific suffering and suggest he should simply accept it without complaint.

Historical Context

The phrase reflects ancient wisdom about the human condition under the curse (Genesis 3:17-19). Eliphaz correctly identifies that suffering is part of fallen existence but wrongly concludes that Job should therefore not question his particular affliction. The verse appears in Eliphaz's counsel that Job should seek God and accept correction (5:8, 17), assuming Job's suffering is divine discipline.

Study Questions

1. How do we balance accepting that suffering is part of fallen existence with legitimately questioning specific injustices?
2. What is the difference between Eliphaz's fatalism and biblical acceptance of God's sovereignty?
