

# Joel 1:15

Authorized King James Version (KJV)

Alas for the day! for the day of the LORD is at hand, and as a destruction from the Almighty shall it come.

## Analysis

---

"Alas for the day! for the day of the LORD is at hand, and as a destruction from the Almighty shall it come." The exclamation "Alas!" (Hebrew 'ahahh) expresses distress and grief. "The day of the LORD" theme dominates Joel—that appointed time when God intervenes decisively. The phrase "at hand" (qarob) means near, imminent—not theoretical future but approaching reality. The comparison "as a destruction from the Almighty" uses Hebrew shod from Shaddai (Almighty)—a wordplay emphasizing that destruction (shod) comes from the all-powerful God (Shaddai). No one can resist or escape. This teaches that the Day of the LORD has dual nature: deliverance for the faithful, destruction for the rebellious. It's not ethnic identity but spiritual condition that determines experience—Jews and Gentiles alike face judgment or mercy based on faith in Christ (Romans 2:28-29, Galatians 3:28-29).

## Historical Context

---

"Day of the LORD" appears 19 times in the Old Testament, describing God's intervention in judgment or deliverance. Prophets applied it to historical events (Babylonian conquest, return from exile) and eschatological realities (Messiah's coming, final judgment). Jesus referenced it in the Olivet Discourse (Matthew 24), Paul in 1-2 Thessalonians, Peter in 2 Peter 3, John throughout Revelation. Each historical fulfillment points toward ultimate fulfillment when Christ returns.
