

# John 1:34

Authorized King James Version (KJV)

And I saw, and bare record that this is the Son of God.

## Analysis

---

John's climactic testimony—"this is the Son of God"—declares Christ's unique divine sonship, not mere messianic status. The perfect tense 'I saw' (Greek: *heōraka*) emphasizes the continuing validity of his eyewitness testimony. This verse exemplifies the Gospel's purpose: presenting evidence that Jesus is the Christ, the Son of God (John 20:31).

## Historical Context

---

'Son of God' in Jewish context could mean Messiah, but John's Gospel consistently uses it to signify ontological deity and unique relationship with the Father, a claim that led to accusations of blasphemy (John 5:18, 10:33).
