

# John 11:1

Authorized King James Version (KJV)

Now a certain man was sick, named Lazarus, of Bethany, the town of Mary and her sister Martha.

## Analysis

---

This verse introduces the greatest sign in John's Gospel, foreshadowing Christ's own resurrection. Lazarus's name means 'God has helped', prophetically fitting. His identification through his sisters (Mary and Martha) shows the family's prominence in the believing community. Bethany, meaning 'house of affliction', becomes the place where Christ's glory triumphs over death itself, demonstrating His power over humanity's greatest enemy.

## Historical Context

---

Bethany was about two miles from Jerusalem, a small village on the eastern slope of the Mount of Olives. This proximity to Jerusalem meant many Jews came to mourn, providing many witnesses to the miracle. Archaeological evidence suggests a first-century tomb there.
