

John 17:11

Authorized King James Version (KJV)

And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are.

Analysis

And now I am no more in the world, but these are in the world—Jesus marks the temporal transition at His crucifixion's threshold. The Greek *ouketi* (οὐκέτι, 'no longer') emphasizes finality: His earthly ministry concludes in hours. Yet His disciples remain *en tō kosmō* (ἐν τῷ κόσμῳ, 'in the world'), exposed to the hostile system He conquered but they must navigate.

Holy Father, keep through thine own name (Πάτερ ἅγιε τήρησον αὐτοὺς ἐν τῷ ὀνόματί σου)—The only place Jesus addresses God as 'Holy Father' in Scripture. *Tēreō* (τηρέω) means 'guard, protect, preserve'—the same word used for keeping commandments. Jesus petitions divine custody in the name, meaning by the Father's revealed character and authority. **That they may be one, as we are** (ἵνα ὧσιν ἐν καθὼς ἡμεῖς)—Unity modeled on Trinitarian union, not organizational merger but relational harmony rooted in shared divine life. This is covenant security: believers kept by God's name, not their performance.

Historical Context

This prayer (John 17) occurred in the upper room or en route to Gethsemane on Thursday evening, Nisan 14, AD 30. Jesus prayed audibly so disciples would remember His intercession after His departure. The petition for unity anticipates

the church's birth at Pentecost (Acts 2) and addresses divisions already emerging in apostolic circles (1 Corinthians 1:10-13). First-century believers faced expulsion from synagogues (John 16:2) and needed assurance of divine preservation.

Hebrews 11:1 — Definition of faith

Romans 1:17 — The righteous shall live by faith

Study Questions

1. How does Jesus's prayer 'Holy Father, keep through thine own name' assure you of security when facing hostile spiritual opposition?
2. What does unity 'as we are' (Trinitarian oneness) look like practically in your church, and how does it differ from mere organizational conformity?
