

John 19:40

Authorized King James Version (KJV)

Then took they the body of Jesus, and wound it in linen clothes with the spices, as the manner of the Jews is to bury.

Analysis

Then took they the body of Jesus, and wound it in linen clothes with the spices, as the manner of the Jews is to bury (ἔλαβον οὖν τὸ σῶμα τοῦ Ἰησοῦ καὶ ἔδησαν αὐτὸ ὀθονίοις μετὰ τῶν ἀρωμάτων, καθὼς ἔθος ἐστὶν τοῖς Ἰουδαίοις ἐνταφιάζειν, elabon oun to sōma tou Iēsou kai edēsan auto othoniois meta tōn arōmatōn, kathōs ethos estin tois Ioudaiois entaphiazein)—They wrapped Jesus's body in ὀθόνια (othonia, 'linen strips/cloths') μετὰ τῶν ἀρωμάτων (meta tōn arōmatōn, 'with the spices'), following Jewish burial customs. The verb ἔδησαν (edēsan, 'bound, wrapped') indicates tight binding. This detail becomes significant in resurrection accounts: the grave clothes remained intact yet empty (John 20:6-7), indicating Jesus passed through them rather than unwrapping.

This proper burial fulfilled prophecy (Isaiah 53:9) and validated Jesus's true death against later claims He merely swooned. The care taken by Joseph and Nicodemus—wealthy men risking defilement before Passover—demonstrates costly love. Their 'burial rites' prepared the tomb Jesus would vacate three days later, making the resurrection undeniable: sealed tomb, wrapped body, Roman guard, yet empty grave.

Historical Context

Jewish burial required washing the body, anointing with spices, and wrapping in linen strips—process taking several hours. They had to complete this before 6pm

when Sabbath began. The haste partly explains the women's intention to return Sunday with additional spices (Mark 16:1), though they found the tomb empty.

Study Questions

1. How does the detailed burial account validate Jesus's real death against swoon theories?
2. What does the care and expense of Jesus's burial by Joseph and Nicodemus teach about properly honoring Christ?
3. How do the burial details—wrapped body in sealed tomb—make the resurrection evidence more compelling?
