

# John 5:15

Authorized King James Version (KJV)

The man departed, and told the Jews that it was Jesus, which had made him whole.

## Analysis

---

The man's reporting to the Jews that 'it was Jesus which had made him whole' appears either naively informative or deliberately betraying. John doesn't clarify his motive, but the result is intensified opposition to Jesus. Even acts of witness can be used for hostile purposes when hearts are hardened.

## Historical Context

---

The man's disclosure enabled the authorities to identify and confront Jesus about Sabbath healing. Whether he intended to inform or accuse, his report initiated formal opposition that would eventually lead to crucifixion.

## Study Questions

---

1. How can our testimony about Christ's work be received hostilely depending on hearers' hearts?
2. What does this episode teach about the complexity of witness in hostile environments?
