

John 5:42

Authorized King James Version (KJV)

But I know you, that ye have not the love of God in you.

Analysis

Jesus' penetrating diagnosis—'ye have not the love of God in you'—identifies the core problem. He's not saying they don't love God, but that God's love is absent from them (objective genitive). Without receiving and being transformed by God's love, they cannot recognize or receive His Son. Love for God flows from experiencing His love.

Historical Context

The Pharisees claimed devotion to God through strict law observance, yet Jesus exposes their heart condition. External compliance without internal transformation by God's love produces only religion, not relationship.
