

# John 5:8

Authorized King James Version (KJV)

Jesus saith unto him, Rise, take up thy bed, and walk.

## Analysis

---

Christ's authoritative command 'Rise, take up thy bed, and walk' demonstrates His power to heal instantaneously without ritual or process. The three imperatives progress logically: rise (receive life), take up thy bed (acknowledge healing), walk (live in the power of healing). This physical healing illustrates spiritual salvation: we who were dead in sin are raised to new life (Ephesians 2:5), take up our old life as testimony, and walk in newness of life.

## Historical Context

---

The command to carry his bed on the Sabbath deliberately provoked controversy, as Pharisees considered it unlawful work. Jesus used this to teach that He, as Lord of the Sabbath (Mark 2:28), has authority over Sabbath regulations and that God's mercy supersedes ceremonial law.
