

John 6:13

Authorized King James Version (KJV)

Therefore they gathered them together, and filled twelve baskets with the fragments of the five barley loaves, which remained over and above unto them that had eaten.

Analysis

'Therefore they gathered them together, and filled twelve baskets with the fragments of the five barley loaves, which remained over and above unto them that had eaten.' Twelve baskets from five loaves—more remained than they started with. The 'kophinos' were Jewish wicker baskets for carrying kosher food. Each disciple carried proof of miraculous provision. The surplus demonstrates that Christ's supply exceeds demand. He gives more than enough.

Historical Context

The twelve baskets may symbolize provision for the twelve tribes of Israel. Later, feeding four thousand would yield seven baskets—symbolizing the nations. Jesus provides for both Jew and Gentile with surplus. The fragments weren't discarded but preserved as testimony.
