

John 8:1

Authorized King James Version (KJV)

Jesus went unto the mount of Olives.

Analysis

Jesus withdraws to the Mount of Olives, a place of prayer and solitude. This pattern of public ministry followed by private retreat demonstrates the rhythm of gospel work - active service balanced with communion with the Father. The Reformed tradition values both Word and prayer as essential to faithful ministry.

Historical Context

The Mount of Olives, east of Jerusalem across the Kidron Valley, was Jesus' regular retreat during His Jerusalem visits (Luke 21:37). Gethsemane, site of His agony and arrest, was located on its slopes.
