

John 9:12

Authorized King James Version (KJV)

Then said they unto him, Where is he? He said, I know not.

Analysis

When asked where Jesus is, the man doesn't know. This reveals that receiving sight from Jesus doesn't immediately produce complete knowledge about Him. Spiritual understanding grows over time. The man's later development - from calling Jesus 'a man' (v. 11) to 'a prophet' (v. 17) to 'Lord' (v. 38) - illustrates progressive illumination that accompanies regeneration.

Historical Context

Jesus had left the scene, perhaps to avoid immediate confrontation with authorities until the man could testify independently. The healed man's inability to locate Jesus demonstrates the healing's authenticity - no conspiracy possible.
