

Leviticus 1:6

Authorized King James Version (KJV)

And he shall flay the burnt offering, and cut it into his pieces.

Analysis

And he shall flay the burnt offering, and cut it into his pieces.

This verse falls within the section on **Burnt Offerings**. The burnt offering (עֹלָה, olah) represents complete consecration to God. Unlike other offerings, it was entirely consumed on the altar, symbolizing total dedication.

The five main offerings (burnt, grain, peace, sin, and guilt) addressed different aspects of relationship with God, all fulfilled in Christ's comprehensive sacrifice. Hebrews 9-10 explains how Christ's once-for-all sacrifice supersedes the repeated Levitical offerings, providing permanent cleansing from sin.

Historical Context

The burnt offering (עֹלָה, olah) represents complete consecration to God. Unlike other offerings, it was entirely consumed on the altar, symbolizing total dedication. Leviticus was given to Israel at Mount Sinai, shortly after the tabernacle's construction described in Exodus. The name 'Leviticus' (from Latin Leviticus, referring to the Levites) reflects its focus on priestly duties, though the Hebrew title Wayyiqra ('And He called') emphasizes God's initiative in revealing these laws. The first seven chapters detail the five main offerings, providing both worshiper instructions and priestly procedures. Ancient Near Eastern cultures had various sacrificial systems, but Israel's sacrificial worship was unique in its ethical foundation, monotheistic framework, and emphasis on atonement rather than appeasement. Unlike pagan rituals focused on manipulating deities, Israel's

sacrifices acknowledged God's sovereignty and sought reconciliation based on His gracious provision. Archaeological discoveries at sites like Ugarit reveal Canaanite religious practices Israel's laws explicitly rejected, confirming the Bible's historical reliability and the distinctiveness of Israelite worship.
