## Analysis

---

**And ye shall not go out from the door of the tabernacle of the congregation, lest ye die: for the anointing oil of the LORD is upon you. And they did according to the word of Moses.**

This verse falls within the section on **Nadab and Abihu's Unauthorized Fire**. The tragic death of Aaron's sons for offering unauthorized fire demonstrates the severity of approaching God improperly.

Hebrews 9-10 explains how Christ's once-for-all sacrifice supersedes the repeated Levitical offerings, providing permanent cleansing from sin.

## Historical Context

---

The tragic death of Aaron's sons for offering unauthorized fire demonstrates the severity of approaching God improperly. Chapters 8-10 describe the priesthood's consecration and early ministry. Aaron and his sons received special anointing for their mediatorial role between God and Israel. The tragic account of Nadab and Abihu (ch. 10) demonstrates that approaching God requires reverence and obedience. Ancient Near Eastern cultures had various sacrificial systems, but Israel's sacrificial worship was unique in its ethical foundation, monotheistic framework, and emphasis on atonement rather than appeasement. Unlike pagan

rituals focused on manipulating deities, Israel's sacrifices acknowledged God's sovereignty and sought reconciliation based on His gracious provision. Ancient texts like the Code of Hammurabi show that law codes were common in the ancient Near East, but biblical law uniquely grounded ethics in God's character rather than merely social convention.
