Historical Context

Dietary laws distinguishing clean from unclean animals, teaching Israel holiness and separation from pagan practices. Chapters 11-15 address ritual purity, teaching Israel to distinguish clean from unclean. These laws served multiple purposes: promoting health, teaching spiritual lessons about sin's defilement, and separating Israel from pagan practices. Archaeological evidence shows Canaanite worship involved practices Israel's laws explicitly prohibited. Israel received these laws while encamped at Sinai, before entering Canaan. The laws prepared them for life in the promised land, distinguishing them from Canaanite practices and establishing their identity as God's holy nation. The portable tabernacle, central to Levitical worship, accompanied them through wilderness wanderings and eventually found permanent form in Solomon's temple. Ancient texts like the Code of Hammurabi show that law codes were common in the ancient Near East, but

biblical law uniquely grounded ethics in God's character rather than merely social convention.
