

# Leviticus 13:15

Authorized King James Version (KJV)

And the priest shall see the raw flesh, and pronounce him to be unclean: for the raw flesh is unclean: it is a leprosy.

## Analysis

---

**And the priest shall see the raw flesh, and pronounce him to be unclean: for the raw flesh is unclean: it is a leprosy.**

This verse falls within the section on **Diagnosing Skin Diseases**. Detailed procedures for priests to diagnose skin diseases (צָרָעָת, tzaraat), often translated 'leprosy' but covering various conditions.

The Aaronic priesthood mediated between God and Israel, offering sacrifices and maintaining the tabernacle. This prefigured Christ's superior priesthood after the order of Melchizedek. Ritual purity laws taught Israel to distinguish between clean and unclean, holy and common, training them in discernment and reverence for God's presence.

The New Testament reveals that Christ's sacrifice accomplishes what the Levitical system could only symbolize—complete forgiveness and restoration of relationship with God.

## Historical Context

---

Detailed procedures for priests to diagnose skin diseases (צָרָעָת, tzaraat), often translated 'leprosy' but covering various conditions. Chapters 11-15 address ritual purity, teaching Israel to distinguish clean from unclean. These laws served multiple purposes: promoting health, teaching spiritual lessons about sin's defilement, and separating Israel from pagan practices. Archaeological evidence

shows Canaanite worship involved practices Israel's laws explicitly prohibited. Israel received these laws while encamped at Sinai, before entering Canaan. The laws prepared them for life in the promised land, distinguishing them from Canaanite practices and establishing their identity as God's holy nation. The portable tabernacle, central to Levitical worship, accompanied them through wilderness wanderings and eventually found permanent form in Solomon's temple. Ancient sacrificial texts from cultures surrounding Israel demonstrate the widespread practice of animal sacrifice, but Israel's system uniquely emphasized moral atonement over magical efficacy.
