

Leviticus 13:27

Authorized King James Version (KJV)

And the priest shall look upon him the seventh day: and if it be spread much abroad in the skin, then the priest shall pronounce him unclean: it is the plague of leprosy.

Analysis

And the priest shall look upon him the seventh day: and if it be spread much abroad in the skin, then the priest shall pronounce him unclean: it is the plague of leprosy.

This verse falls within the section on **Diagnosing Skin Diseases**. Detailed procedures for priests to diagnose skin diseases (צִרְעָה, tzaraat), often translated 'leprosy' but covering various conditions.

The Aaronic priesthood mediated between God and Israel, offering sacrifices and maintaining the tabernacle. This prefigured Christ's superior priesthood after the order of Melchizedek. Ritual purity laws taught Israel to distinguish between clean and unclean, holy and common, training them in discernment and reverence for God's presence.

Hebrews 9-10 explains how Christ's once-for-all sacrifice supersedes the repeated Levitical offerings, providing permanent cleansing from sin.

Historical Context

Detailed procedures for priests to diagnose skin diseases (צִרְעָה, tzaraat), often translated 'leprosy' but covering various conditions. Chapters 11-15 address ritual purity, teaching Israel to distinguish clean from unclean. These laws served multiple purposes: promoting health, teaching spiritual lessons about sin's

defilement, and separating Israel from pagan practices. Archaeological evidence shows Canaanite worship involved practices Israel's laws explicitly prohibited. Israel received these laws while encamped at Sinai, before entering Canaan. The laws prepared them for life in the promised land, distinguishing them from Canaanite practices and establishing their identity as God's holy nation. The portable tabernacle, central to Levitical worship, accompanied them through wilderness wanderings and eventually found permanent form in Solomon's temple. The tabernacle's design parallels ancient Near Eastern temple architecture, yet its portable nature and absence of divine images distinguished it from pagan temples.
