

# Leviticus 13:43

Authorized King James Version (KJV)

Then the priest shall look upon it: and, behold, if the rising of the sore be white reddish in his bald head, or in his bald forehead, as the leprosy appeareth in the skin of the flesh;

## Analysis

---

**Then the priest shall look upon it: and, behold, if the rising of the sore be white reddish in his bald head, or in his bald forehead, as the leprosy appeareth in the skin of the flesh;**

This verse falls within the section on **Diagnosing Skin Diseases**. Detailed procedures for priests to diagnose skin diseases (צִרְעָה, tzaraat), often translated 'leprosy' but covering various conditions.

The Aaronic priesthood mediated between God and Israel, offering sacrifices and maintaining the tabernacle. This prefigured Christ's superior priesthood after the order of Melchizedek.

The New Testament reveals that Christ's sacrifice accomplishes what the Levitical system could only symbolize—complete forgiveness and restoration of relationship with God.

## Historical Context

---

Detailed procedures for priests to diagnose skin diseases (צִרְעָה, tzaraat), often translated 'leprosy' but covering various conditions. Chapters 11-15 address ritual purity, teaching Israel to distinguish clean from unclean. These laws served multiple purposes: promoting health, teaching spiritual lessons about sin's defilement, and separating Israel from pagan practices. Archaeological evidence

shows Canaanite worship involved practices Israel's laws explicitly prohibited. Israel received these laws while encamped at Sinai, before entering Canaan. The laws prepared them for life in the promised land, distinguishing them from Canaanite practices and establishing their identity as God's holy nation. The portable tabernacle, central to Levitical worship, accompanied them through wilderness wanderings and eventually found permanent form in Solomon's temple. Ancient texts like the Code of Hammurabi show that law codes were common in the ancient Near East, but biblical law uniquely grounded ethics in God's character rather than merely social convention.
