

# Leviticus 14:2

Authorized King James Version (KJV)

This shall be the law of the leper in the day of his cleansing:  
He shall be brought unto the priest:

## Analysis

---

**This shall be the law of the leper in the day of his cleansing: He shall be brought unto the priest:**

This verse falls within the section on **Cleansing from Skin Diseases**. Elaborate cleansing ritual for healed lepers, involving birds, blood, and multiple offerings, symbolizing restoration.

The Aaronic priesthood mediated between God and Israel, offering sacrifices and maintaining the tabernacle. This prefigured Christ's superior priesthood after the order of Melchizedek. Ritual purity laws taught Israel to distinguish between clean and unclean, holy and common, training them in discernment and reverence for God's presence.

Every sacrifice and ritual in Leviticus points forward to Jesus Christ, who fulfills the entire sacrificial system as both perfect sacrifice and eternal high priest.

## Historical Context

---

Elaborate cleansing ritual for healed lepers, involving birds, blood, and multiple offerings, symbolizing restoration. Chapters 11-15 address ritual purity, teaching Israel to distinguish clean from unclean. These laws served multiple purposes: promoting health, teaching spiritual lessons about sin's defilement, and separating Israel from pagan practices. Archaeological evidence shows Canaanite worship involved practices Israel's laws explicitly prohibited. Israel received these laws

while encamped at Sinai, before entering Canaan. The laws prepared them for life in the promised land, distinguishing them from Canaanite practices and establishing their identity as God's holy nation. The portable tabernacle, central to Levitical worship, accompanied them through wilderness wanderings and eventually found permanent form in Solomon's temple. Ancient sacrificial texts from cultures surrounding Israel demonstrate the widespread practice of animal sacrifice, but Israel's system uniquely emphasized moral atonement over magical efficacy.
