

# Leviticus 18:19

Authorized King James Version (KJV)

Also thou shalt not approach unto a woman to uncover her nakedness, as long as she is put apart for her uncleanness.

## Analysis

---

**Also thou shalt not approach unto a woman to uncover her nakedness, as long as she is put apart for her uncleanness.**

This verse falls within the section on **Unlawful Sexual Relations**. Prohibitions against various sexual sins, distinguishing Israel from Canaanite practices and protecting family sanctity.

Ritual purity laws taught Israel to distinguish between clean and unclean, holy and common, training them in discernment and reverence for God's presence.

The New Testament reveals that Christ's sacrifice accomplishes what the Levitical system could only symbolize—complete forgiveness and restoration of relationship with God.

## Historical Context

---

Prohibitions against various sexual sins, distinguishing Israel from Canaanite practices and protecting family sanctity. Chapters 17-27, often called the 'Holiness Code,' expand covenant obligations beyond ritual to encompass all of life—sexuality, economics, justice, and relationships. The repeated refrain 'I am the LORD' grounds these laws in God's character and covenant relationship with Israel. Israel received these laws while encamped at Sinai, before entering Canaan. The laws prepared them for life in the promised land, distinguishing them from Canaanite practices and establishing their identity as God's holy nation. The

portable tabernacle, central to Levitical worship, accompanied them through wilderness wanderings and eventually found permanent form in Solomon's temple. The Israelite dietary laws in Leviticus 11 have no exact parallel in surrounding cultures, though some ancient cultures had food taboos, suggesting unique revelation rather than borrowed customs.
