

# Leviticus 2:4

Authorized King James Version (KJV)

And if thou bring an oblation of a meat offering baken in the oven, it shall be unleavened cakes of fine flour mingled with oil, or unleavened wafers anointed with oil.

## Analysis

**And if thou bring an oblation of a meat offering baken in the oven, it shall be unleavened cakes of fine flour mingled with oil, or unleavened wafers anointed with oil.**

This verse falls within the section on **Grain Offerings**. The grain offering (מןתחה, minchah) was a tribute offering acknowledging God's provision and expressing devotion through the fruits of human labor.

The five main offerings (burnt, grain, peace, sin, and guilt) addressed different aspects of relationship with God, all fulfilled in Christ's comprehensive sacrifice. The holiness demanded in Leviticus becomes possible through Christ, who both satisfies God's righteous requirements and transforms believers by His Spirit.

## Historical Context

The grain offering (מןתחה, minchah) was a tribute offering acknowledging God's provision and expressing devotion through the fruits of human labor. Leviticus was given to Israel at Mount Sinai, shortly after the tabernacle's construction described in Exodus. The name 'Leviticus' (from Latin Leviticus, referring to the Levites) reflects its focus on priestly duties, though the Hebrew title Wayyiqra ('And He called') emphasizes God's initiative in revealing these laws. The first seven chapters detail the five main offerings, providing both worshiper

instructions and priestly procedures. Ancient Near Eastern cultures had various sacrificial systems, but Israel's sacrificial worship was unique in its ethical foundation, monotheistic framework, and emphasis on atonement rather than appeasement. Unlike pagan rituals focused on manipulating deities, Israel's sacrifices acknowledged God's sovereignty and sought reconciliation based on His gracious provision. Ancient sacrificial texts from cultures surrounding Israel demonstrate the widespread practice of animal sacrifice, but Israel's system uniquely emphasized moral atonement over magical efficacy.
