Historical Context

God's sacred calendar including Passover, Pentecost, and Tabernacles, marking redemption and agricultural blessings. Chapters 17-27, often called the 'Holiness Code,' expand covenant obligations beyond ritual to encompass all of life—sexuality, economics, justice, and relationships. The repeated refrain 'I am the LORD' grounds these laws in God's character and covenant relationship with Israel. Israel received these laws while encamped at Sinai, before entering Canaan. The laws prepared them for life in the promised land, distinguishing them from Canaanite practices and establishing their identity as God's holy nation. The portable tabernacle, central to Levitical worship, accompanied them through wilderness wanderings and eventually found permanent form in Solomon's temple. Ancient texts like the Code of Hammurabi show that law codes were common in

the ancient Near East, but biblical law uniquely grounded ethics in God's character rather than merely social convention.
