Authorized King James Version (KJV)

But if he sanctify his field after the jubile, then the priest shall reckon unto him the money according to the years that remain, even unto the year of the jubile, and it shall be abated from thy estimation.

## Analysis

---

**But if he sanctify his field after the jubile, then the priest shall reckon unto him the money according to the years that remain, even unto the year of the jubile, and it shall be abated from thy estimation.**

This verse falls within the section on **Vows and Dedications**. Regulations for voluntary vows and dedicating persons or property to God, teaching careful commitment.

The central theme of Leviticus is God's holiness and the call for His people to be holy. The Hebrew word *qadosh* (קֹדֶשׁ) means 'set apart' or 'sacred,' emphasizing both separation from sin and consecration to God's purposes. The Aaronic priesthood mediated between God and Israel, offering sacrifices and maintaining the tabernacle. This prefigured Christ's superior priesthood after the order of Melchizedek.

The holiness demanded in Leviticus becomes possible through Christ, who both satisfies God's righteous requirements and transforms believers by His Spirit.

## Historical Context

---

Regulations for voluntary vows and dedicating persons or property to God, teaching careful commitment. Chapters 17-27, often called the 'Holiness Code,' expand covenant obligations beyond ritual to encompass all of life—sexuality, economics, justice, and relationships. The repeated refrain 'I am the LORD' grounds these laws in God's character and covenant relationship with Israel. Israel received these laws while encamped at Sinai, before entering Canaan. The laws prepared them for life in the promised land, distinguishing them from Canaanite practices and establishing their identity as God's holy nation. The portable tabernacle, central to Levitical worship, accompanied them through wilderness wanderings and eventually found permanent form in Solomon's temple. The Israelite dietary laws in Leviticus 11 have no exact parallel in surrounding cultures, though some ancient cultures had food taboos, suggesting unique revelation rather than borrowed customs.
