

Leviticus 4:8

Authorized King James Version (KJV)

And he shall take off from it all the fat of the bullock for the sin offering; the fat that covereth the inwards, and all the fat that is upon the inwards,

Analysis

And he shall take off from it all the fat of the bullock for the sin offering; the fat that covereth the inwards, and all the fat that is upon the inwards,

This verse falls within the section on **Sin Offerings**. The sin offering (**תְּעִטָּה**, chattat) provided atonement for unintentional sins, addressing the defilement sin causes in God's holy presence.

The five main offerings (burnt, grain, peace, sin, and guilt) addressed different aspects of relationship with God, all fulfilled in Christ's comprehensive sacrifice. The holiness demanded in Leviticus becomes possible through Christ, who both satisfies God's righteous requirements and transforms believers by His Spirit.

Historical Context

The sin offering (**תְּעִטָּה**, chattat) provided atonement for unintentional sins, addressing the defilement sin causes in God's holy presence. Leviticus was given to Israel at Mount Sinai, shortly after the tabernacle's construction described in Exodus. The name 'Leviticus' (from Latin Leviticus, referring to the Levites) reflects its focus on priestly duties, though the Hebrew title Wayyiqra ('And He called') emphasizes God's initiative in revealing these laws. The first seven chapters detail the five main offerings, providing both worshiper instructions and priestly procedures. Ancient Near Eastern cultures had various sacrificial systems,

but Israel's sacrificial worship was unique in its ethical foundation, monotheistic framework, and emphasis on atonement rather than appeasement. Unlike pagan rituals focused on manipulating deities, Israel's sacrifices acknowledged God's sovereignty and sought reconciliation based on His gracious provision. Ancient sacrificial texts from cultures surrounding Israel demonstrate the widespread practice of animal sacrifice, but Israel's system uniquely emphasized moral atonement over magical efficacy.
