

# Luke 1:3

Authorized King James Version (KJV)

It seemed good to me also, having had perfect understanding of all things from the very first, to write unto thee in order, most excellent Theophilus,

## Analysis

---

Luke's claim to 'perfect understanding' (Greek 'parekolouthēkoti akribos') means he traced everything carefully from the beginning. This demonstrates both divine inspiration and human diligence in Gospel composition. The Reformed principle of verbal inspiration doesn't negate careful historical investigation; rather, God's sovereignty works through providential means. Luke's methodical research serves God's purpose of providing an orderly, accurate account.

## Historical Context

---

As a physician and companion of Paul, Luke had access to eyewitnesses and written sources. His 'orderly account' (kathexes) suggests chronological and theological arrangement to demonstrate the certainty of Christian teaching.

## Related Passages

---

**Romans 2:1** — Judging others

**Matthew 25:31** — Final judgment

## Study Questions

---

1. How does Luke's careful research demonstrate that faith and reason are compatible?
2. What does this verse teach about how God uses human faculties in inspiration?
3. Why is an 'orderly account' important for understanding redemptive history?
