

# Luke 2:6

Authorized King James Version (KJV)

And so it was, that, while they were there, the days were accomplished that she should be delivered.

## Analysis

---

The phrase 'while they were there, the days were accomplished that she should be delivered' emphasizes divine timing—Mary gave birth not during travel but after arrival in Bethlehem. The passive 'were accomplished' indicates fulfillment of natural gestation period while subtly pointing to fulfillment of divine purpose. This wording suggests God's sovereign control over timing—Jesus born neither too early nor too late, but exactly when and where prophecy specified. The natural development of pregnancy serves God's supernatural purposes. The simplicity of this statement belies the cosmic significance of the moment—the eternal Son taking on human flesh through normal human birth.

## Historical Context

---

That Mary's labor began after arriving in Bethlehem fulfilled Micah 5:2 precisely. Had birth occurred en route, prophecy would have been unfulfilled. God's timing coordinated human biology, Roman governmental decree, and ancient prophecy perfectly.
