

Luke 7:2

Authorized King James Version (KJV)

And a certain centurion's servant, who was dear unto him, was sick, and ready to die.

Analysis

And a certain centurion's servant, who was dear unto him, was sick, and ready to die. The Greek *entimos* (ἔντιμος, precious/highly valued) describes the servant's status—not merely useful property but personally cherished, revealing the centurion's exceptional character. The term *doulos* (δοῦλος, slave) combined with 'dear' shows remarkable compassion crossing social barriers in a culture where slaves were often treated as tools.

The phrase *ēmellen teleutān* (ῆμελλεν τελευτᾶν, was about to die) indicates imminent death, emphasizing the desperate urgency. This Gentile's love for his servant foreshadows the gospel breaking ethnic and social boundaries—in Christ, there is neither Jew nor Greek, slave nor free (Galatians 3:28).

Historical Context

Roman law gave masters absolute power over slaves, including life and death. A centurion caring deeply for a slave's life was culturally extraordinary, reflecting exceptional humanity and possibly the influence of Jewish monotheism on this God-fearer.
