

Mark 7:24

Authorized King James Version (KJV)

And from thence he arose, and went into the borders of Tyre and Sidon, and entered into an house, and would have no man know it: but he could not be hid.

Analysis

Mark 7:24 This passage continues Mark's fast-paced narrative demonstrating Jesus' divine authority, miraculous power, and confrontation with religious establishment. The theological themes include Christ's deity, sacrificial mission, call to discipleship, and inauguration of God's kingdom. Reformed interpretation emphasizes sovereign grace, substitutionary atonement, and transformation through regeneration.

Historical Context

First-century Palestinian Jewish context under Roman occupation shapes the narrative. Archaeological discoveries confirm Gospel accounts' historical accuracy. Ancient sources (Josephus, Tacitus) corroborate biblical timeline and cultural details. Early church fathers interpreted these Christologically, seeing Old Testament fulfillment and New Covenant establishment.
