

# Matthew 15:19

Authorized King James Version (KJV)

For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies:

## Analysis

---

Jesus lists sins originating from the heart: evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies. This catalog reveals total depravity—the heart's natural state produces evil continually (Genesis 6:5). Reformed theology emphasizes that sin's root is internal corruption, not external influence. Ethical reformation without heart regeneration fails because the problem is ontological, not merely behavioral. Only the Holy Spirit's regenerating work can produce the new heart (Ezekiel 36:26) that pleases God.

## Historical Context

---

Jesus' list reflects the Ten Commandments' second table (duties to neighbor), showing how heart corruption manifests in specific sins. His teaching corrects Pharisaic externalism that focused on ritual purity while ignoring moral corruption. First-century Judaism emphasized external conformity; Jesus exposes internal depravity.
