

# Matthew 24:9

Authorized King James Version (KJV)

Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake.

## Analysis

---

**Then shall they deliver you up to be afflicted** (τότε παραδώσουσιν ὑμᾶς εἰς θλῖψιν)—The verb παραδίδωμι (paradidōmi) means "hand over, betray"—the same word used for Judas betraying Jesus. The noun θλῖψις (thipsis) denotes tribulation, pressure, crushing distress—like grapes in a winepress. **And shall kill you** (καὶ ἀποκτενοῦσιν ὑμᾶς) shifts from persecution to martyrdom.

**And ye shall be hated of all nations for my name's sake** (ἔσεσθε μισούμενοι ὑπὸ πάντων τῶν ἐθνῶν διὰ τὸ ὄνομά μου)—Universal hatred (πάντων τῶν ἐθνῶν, all nations) because of association with Christ's name. This is cosmic-level opposition, not mere social discomfort. John 15:18-19 explains why: believers no longer belong to the world's system. Church history validates this: disciples were beaten (Acts 5:40), Stephen stoned (Acts 7), James beheaded (Acts 12), and tradition holds all apostles except John died as martyrs.

## Historical Context

---

Persecution began immediately after Pentecost. Nero blamed Christians for Rome's fire (AD 64), leading to brutal executions. Pliny the Younger's letters (AD 112) describe Christians executed merely for the name. Ten major Roman persecutions occurred before Constantine (AD 313). Jewish authorities also persecuted Christians, expelling them from synagogues (John 16:2). Today, Open Doors estimates 360 million Christians face high levels of persecution globally.

## Related Passages

---

**Genesis 1:1** — Creation of heavens and earth

**Colossians 1:16** — All things created through Christ

## Study Questions

---

1. How should believers in comfortable contexts prepare spiritually for potential persecution?
2. What does it mean practically to be hated "for my name's sake" versus for being obnoxious or unwise?
3. How can the promise of persecution paradoxically strengthen faith rather than weaken it?
