

Numbers 1:9

Authorized King James Version (KJV)

Of Zebulun; Eliab the son of Helon.

Analysis

Zebulun's inclusion with specific leadership demonstrates God's comprehensive care for all His covenant people, not merely the tribes that would later achieve prominence. The detailed recording of seemingly minor tribal leaders reflects the biblical principle that faithfulness in small things matters to God. This anticipates Jesus's teaching that the last shall be first and the first last, as God's values differ radically from human hierarchies.

Historical Context

Zebulun, Jacob's tenth son, received territory near the Sea of Galilee. Though not politically prominent, the tribe's territory would later include Nazareth, where Jesus grew up, giving Zebulun unexpected significance in redemptive history.
