

Numbers 23:5

Authorized King James Version (KJV)

And the LORD put a word in Balaam's mouth, and said,
Return unto Balak, and thus thou shalt speak.

Analysis

God 'put a word in Balaam's mouth, and said, Return unto Balak, and thus thou shalt speak.' This demonstrates God's sovereign control over prophetic utterance—Balaam couldn't curse Israel even for payment because God controlled his speech. The phrase 'put a word in' indicates divine compulsion; Balaam became mouthpiece for God's blessing despite personal preference for Balak's reward.

Historical Context

This first oracle (vv.7-10) blessed Israel as numerous people dwelling securely, frustrating Balak's cursing request. Three more oracles would follow (23:18-24, 24:3-9, 24:15-24), each blessing Israel more emphatically than the previous.

Study Questions

1. How does God's control over Balaam's words demonstrate His absolute protection of His people?

2. What does God forcing blessing through unwilling mouths teach about His sovereign purposes?
