

# Numbers 26:44

Authorized King James Version (KJV)

Of the children of Asher after their families: of Jimna, the family of the Jimnites: of Jesui, the family of the Jesuites: of Beriah, the family of the Beriites.

## Analysis

**The children of Asher after their families**—Asher (אָשֵׁר, "happy/blessed") was Leah's handmaid Zilpah's son, yet his tribal blessing rivals the prestigious tribes. The listing of families—Jimna (יִתְנָה), Jesui (יִשְׁעִי), Beriah (בְּרִיאָה)—establishes inheritance rights. Each clan name carries meaning: Beriah means "in evil/trouble," perhaps commemorating birth circumstances, yet this "troubled" line survived to possess land.

The systematic recording of patronymic families (הַמִּנָּה מִשְׁפְּתַת הַיְמָנִי) demonstrates covenant precision. God doesn't blur lineages into generic "Asher"; each sub-clan receives specific identity and inheritance. Your spiritual heritage matters to God—He distinguishes between the Jimnites and Jesuites.

## Historical Context

Asher received the northernmost coastal territory, the most fertile land in Israel (Deuteronomy 33:24). Though from a handmaid, Asher's blessing exceeded some of Leah's direct sons. This census enumerated the families who would inherit that rich olive-oil country stretching to Phoenicia.

## Study Questions

---

1. How does the inclusion and blessing of handmaid-descended tribes challenge human hierarchies of legitimacy and worth?
2. Why does God record family names like Beriah ("in trouble")—what hope does this offer to those born in difficult circumstances?
3. What does Asher's blessing despite his mother's servant status teach about spiritual inheritance in Christ?
