

# Numbers 28:16

Authorized King James Version (KJV)

And in the fourteenth day of the first month is the passover of the LORD.

## Analysis

---

The Feast of Unleavened Bread's seven-day duration ('on the fifteenth day of this month is the feast: seven days shall unleavened bread be eaten') required extended focus on redemption themes. Leaven's removal symbolized sin's purging, teaching that salvation necessitates holiness. The week-long feast prevented casual observance, requiring sustained attention to spiritual realities. The number seven (completion) emphasized thorough dedication to remembering God's deliverance and pursuing corresponding purity.

## Historical Context

---

Unleavened bread commemorated Israel's hasty Exodus departure, leaving no time for dough to rise (Exodus 12:39). The feast immediately followed Passover, creating an eight-day celebration (combining both feasts' observances). Leaven's removal from households required thorough cleansing, symbolizing sin's comprehensive purging. Paul later applied this imagery to Christian living, calling believers to purge out old leaven of malice and wickedness (1 Corinthians 5:7-8).
