

Philippians 2:28

Authorized King James Version (KJV)

I sent him therefore the more carefully, that, when ye see him again, ye may rejoice, and that I may be the less sorrowful.

Analysis

I sent him therefore the more carefully, that, when ye see him again, ye may rejoice, and that I may be the less sorrowful (σπουδαιοτέρως οὖν ἐπεμψα αὐτόν, ἵνα ιδόντες αὐτὸν πάλιν χαρῆτε, καὶ γὰρ ἀλυπότερος ὁ, spoudaioterōs oun epempsa auton, hina idontes auton palin charēte, kagō alypoteros ὁ)—Spoudaioterōs (comparative: "more eagerly, more carefully") shows urgency. Epempsa ("I sent," epistolary aorist) refers to this letter's delivery via Epaphroditus. Hina...charēte ("that you may rejoice")—Paul orchestrates joy: Epaphroditus's return will bring celebration.

Kagō alypoteros ὁ ("I may be less sorrowful")—alypoteros ("less grieved," comparative of alypos) admits Paul's ongoing sorrow. His grief lifts knowing Epaphroditus reunites with his church. This mutual joy-seeking (their joy, his reduced sorrow) exemplifies 2:4 (looking to others' things). Paul sends Epaphroditus not from weakness but love—reuniting him with concerned church while relieving Paul's burden of their collective worry.

Historical Context

Paul's sending Epaphroditus demonstrates pastoral wisdom: Epaphroditus needed home recovery, Philippians needed reassurance, and Paul gained peace knowing both were cared for. Ancient leaders often delayed releasing valued workers; Paul's release of Epaphroditus shows gospel-shaped priorities (others' good over

personal convenience). The letter's purpose includes introducing Epaphroditus so Philippians receive him well (v. 29).

Related Passages

Psalm 19:1 — Heavens declare God's glory

Genesis 1:1 — Creation of heavens and earth

Study Questions

1. How do you prioritize others' joy ('that you may rejoice,' charēte) even when it costs you personally?
2. What workers have you reluctantly 'sent' because their absence served others better than their presence served you?
3. How does Paul's 'less sorrowful' (alypoteros) honesty model appropriate emotional transparency in leadership?
