

Proverbs 1:12

Authorized King James Version (KJV)

Let us swallow them up alive as the grave; and whole, as those that go down into the pit:

Analysis

The enticement continues with vivid imagery: 'swallow them up alive as the grave.' This compares victims to those going down alive into Sheol, emphasizing sudden, complete destruction. The phrase 'whole, as those that go down into the pit' pictures violent death's totality. This exposes greed's insatiable appetite—it consumes victims entirely. The imagery prefigures Hell's eternal destruction, showing temporal sin reflects eternal realities. Unrepentant greed leads to the ultimate pit.

Historical Context

The 'grave' (Sheol) in Hebrew thought represented the realm of the dead, often pictured as a pit or consuming mouth. References to going down 'alive' may allude to Korah's rebellion (Numbers 16:30-33) where earth swallowed rebels alive. This catastrophic judgment became proverbial for sudden, total destruction. Ancient readers would immediately recognize the theological overtones of divine judgment.
