

Proverbs 1:6

Authorized King James Version (KJV)

To understand a proverb, and the interpretation; the words of the wise, and their dark sayings.

Analysis

Understanding proverbs (mashal - comparisons, parables), dark sayings (chidah - riddles, enigmas), and wise men's words requires interpretive skill. This verse acknowledges that wisdom literature demands careful study, not casual reading. The 'dark sayings' aren't deliberately obscure but express profound truth through figurative language requiring meditation and Spirit-illumination. Reformed hermeneutics values both Scripture's perspicuity in essential matters and its depths requiring diligent study.

Historical Context

Reflects ancient Near Eastern wisdom tradition's use of pithy sayings, numerical proverbs, and enigmatic utterances requiring contemplation. Solomon's wisdom included ability to compose and interpret such sayings (1 Kings 4:32).

Related Passages

Revelation 20:12 — Judgment according to deeds

Romans 2:1 — Judging others

Study Questions

1. How much effort do you invest in understanding Scripture's deeper meanings versus settling for surface readings?
2. What practices help you meditate on biblical wisdom until understanding emerges?
