

Proverbs 13:15

Authorized King James Version (KJV)

Good understanding giveth favour: but the way of transgressors is hard.

Analysis

Good understanding gives favor, but the way of transgressors is hard. Sound judgment (sekhel tov) produces grace/favor; treacherous conduct produces hardship. The verse promises that wisdom eases life's path while wickedness makes it difficult. Transgression's way is 'hard' (etan - enduring, permanent) - wickedness produces lasting difficulty. Wisdom lubricates life; sin creates friction.

Historical Context

Reflects covenant theology where obedience brought blessing (favor, ease) while rebellion brought curse (hardship). The principle applied both temporally and eternally.
